

PRODUCT INFORMATION

The Answer Series

Biotin 800® Z Pellets

Fortified with Zinc, dl-Methionine and Copper

Profile:

Biotin 800® Z is a very palatable, extra strength hoof builder. It is formulated with concentrated essential ingredients needed to build and maintain healthy, strong and resilient hooves. These key ingredients will also improve the overall condition of skin and hair coat in horses.

Each one ounce daily dose provides 50 mg Biotin, 300 mg Zinc, 75 mg of Copper and 3,200 mg of Methionine. Yeast cultures have been added to improve digestion of these key ingredients.

Easy to dispense alfalfa based pellet with molasses flavoring.

Advantages:

- ♦ Maintains consistent high quality hoof growth
- ♦ Helps prevent poor, weak, dry and cracked hooves
- ♦ Helps improve quality of hoof horn growth
- ♦ Beneficial to horses of all ages and classes
- ♦ Promotes healthier hair coats

Ingredients:

Alfalfa Meal, Corn Distillers Dried Grains with Solubles, Wheat Middlings, Biotin, dl-Methionine, Zinc methionine, Copper amino acid complex, Molasses, Yucca Schidigera, Yeast Culture (*Saccharomyces cerevisiae*) Magnesium Sulfate, Potassium Sulfate, Monocalcium Phosphate, Dicalcium Phosphate, Artificial Flavor, L-lysine and Calcium Propionate (a preservative).

 Made in the USA
